NATIONAL GUARD ENDING MISSION AT FOOD BANKS

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise today in strong appreciation of our Ohio National Guardsmen, who have valiantly served Ohio's food banks during the COVID-19 pandemic. As their mission closes this Friday, let us commend the women and men in uniform

whose selfless duty helped meet unprecedented need.

Ohio's food banks served up to 150,000 more Ohioans monthly during this pandemic and saw 3 in 10 people seeking out emergency food assistance for the first time.

With the food banks' core volunteer force sidelined, the Ohio National Guard deployed over 400 members to help meet the human challenge. These women and men are owed a significant debt of gratitude.

Let us offer our deepest thanks to the Ohio National Guard adjutant general, Major General John Harris, whose leadership and swift organization implemented the Guard's mission with great precision.

I thank the Ohio Association of Foodbanks executive director, Lisa Hamler-Fugitt; the Toledo SeaGate executive director, Mindy Rapp; the Toledo Food Bank president and CEO, James Caldwell; the Second Harvest of North Central Ohio president and CEO, Julie Chase-Morefield; and the Greater Cleveland Food Bank president and CEO, Kristin Warzocha.

These tireless teams put a human face on America. Congratulations to them all.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today in support of the Hyde amendment and to denounce President Biden's pro-abortion budget.

Since 1976, the Hyde amendment has saved millions of innocent lives by ensuring that American tax dollars are not spent on abortions. For over 40 years, Congress has supported the Hyde amendment with bipartisan support. That tradition seems to have ended with this current administration as President Biden hopes to pass the most pro-abortion budget in our Nation's history.

As a healthcare professional, father, and grandfather, I strongly believe in the right to life, just like the majority of Americans. We must stand up for those who cannot stand up for themselves and uphold these provisions set by Congress over 40 years ago to save the lives of the unborn.

Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Ms. JACOBS of California). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the

bipartisan floor and committee leaderships.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to discuss the importance of H.R. 18, the No Taxpayer Funding for Abortion Act.

For more than 40 years, in a bipartisan fashion, Congress has passed the Hyde amendment, a provision ensuring Americans are not forced to pay for abortion on demand with their tax dollars.

This year, the Hyde amendment is under attack. I believe in the sanctity of life, which is why I am a proud original cosponsor of H.R. 18.

H.R. 18 would make the Hyde amendment permanent and governmentwide, providing additional protection to the unborn.

It was written in our Declaration of Independence that we all have a right to life. As a Member of Congress, I intend to uphold this.

Madam Speaker, in that spirit, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. As the Chair previously advised, that request cannot be entertained absent appropriate clearance.

AMERICAN LEGION BOYS NATION

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Madam Speaker, recently, two high school members of the Shelby American Legion Post 82 were selected as participants for the Boys Nation program in Washington. This is the first time that the Shelby American Legion Post 82 has ever had two candidates selected to participate in this prestigious educational program.

Robert Stockham of Pinnacle Classical Academy and Zachary Morrow of Burns High School will spend 1 week in Washington learning about the structure and function of the Federal Government. This opportunity, through The American Legion, is important, and I am confident these two young men will make the most of this experience.

Congratulations to both Zachary and Robert on this significant accomplishment.

PERSONAL EXPLANATION

Mr. MFUME. Madam Speaker, I was not recorded on H.R. 391, the vote that
